

2011 QUAGGA & ZEBRA MUSSEL PREVENTION PROGRAM

at

LAKE SAN ANTONIO AND LAKE NACIMIENTO

- Starting May 27, 2011 mandatory vessel screening and/or inspections are required prior to launching.
- Launch hours in effect at public ramps.

- All vessels must be CLEAN, DRAIN and DRY.
- All vessel operators will be required to complete a Vessel Screening Permit.
- All vessels must be properly screened/inspected, permits must be stamped by a certified screener, and stamped* permits must be carried on the vessel.
- Vessels that have been on infested lakes within the past 30 days and/or are not CLEAN, DRAIN, and DRY will be required to undergo a full inspection.
- No vessels will be allowed to launch that have been on infested lakes within the past 10 days or fails inspection.
- A banding program is being implemented by Monterey County to make re-entry into the lake easier

***Official STAMP:** Boaters must carry a SIGNED and STAMPED Vessel Screening Permit with them while boating at Lakes Nacimiento or San Antonio. Permits are valid for up to 14 days.

LAUNCH RAMP HOURS: Public launch ramps at Lake Nacimiento and Lake San Antonio will be open at the following times. During the closed times the ramps will be locked. Boats will not be able to launch or leave the water outside of these hours. Please plan accordingly.

MAY – SEPTMEMBER: Open at 6 am Close at 9 pm

NOTICE: It is unlawful (CDFG Code 2300- 2302) to possess, import, ship, or transport in the state, or place, plant, or cause to be placed or planted in any water within the state, zebra or quagga mussels.
